

Case 30,973 (Closed)

371 Carter Road
Thomaston, Conn.
January 11, 1962.

Dear []:

In checking some papers the other day I came across my correspondence with you and have often wondered if there was any possibility of some reimbursement of the trip we made in July of 1959. As I recall mention was made of a "possibility" of partial reimbursement, and since a period of time has elapsed, I would like to hear from you.

Trusting I may hear from you, I am,

Yours very truly,

Katherine A. Marlak
